How course fees are set and teaching funding flows within the Health Science Faculty postgraduate space

Are you unclear about how course fees are set and how teaching funding flows within the Faculty of Health Sciences and the University?

Then this important presentation is for you!

To help us understand these aspects in the Faculty of Health Sciences postgraduate space, Hardy Maritz (Director: Commercial development) and Tony Dollery (Director: Management accounting) will give an overview on :

28 February 2023, 3-5pm at the Faculty of Health Sciences.

Venue for a possible in-person, or online link for virtual presentation, to be confirmed

Looking forward to your attendance and participation

For further information please contact Professor Collet Dandara, Deputy Dean: Postgraduate Education (collet.Dandara@uct.ac.za)
