

Wellcome Trust Early-Career Award

Are you an early-career researcher, within 3 years of graduating with your PhD, and ready to develop your research identity?

Join the Faculty of Health Sciences Research Development team for a webinar introducing the Wellcome Trust Early-Career Award scheme.

This session will provide general information about Wellcome's Discovery research programme, the early-career award scheme, and guidance on applicant eligibility and suitability.

Date: 13 February 2024

Time: 14h00-15h00
