For admin matters please contact Mikateko.Sithole@uct.ac.za (Senior Secretary). If you would like to discuss a bespoke course, please email Frissiano.honwana@uct.ac.za (Biostatistician).

Costs

For currently registered staff or students in the School of Public Health there is no fee. Current MPH students get priority and registration numbers may be limited. For all other participants, there is a R500/course fee payable through internal journal transfer only. You must be a member of UCT (i.e., have a valid UCT email address) in order to participate. A signed journal or proof of transfer will be required before access is granted.
