details, details, details

It's opportunity for students, researchers and clinicians in DHRS to present their research, share experiences, insights and resources.

The theme for the day is: Collaboration and change across curriculum, clinical and research settings.

All students and staff who would like to participate are invited to submit an abstract

Abstracts should include:

An overview of the research. Any topic area.
400 words. Abstracts can be submitted to
dhrsresearchday2024-group@uct.ac.za

Abstract submissions due 29 February 2024
