## LET'S TALK WORK TOWARDS INCLUSIVE ECONOMIES THROUGH INTERSECTORAL COLLABORATION

Inclusive Practices Africa and the UCT Development and Alumni Department are pleased to invite you to our Dialogue on Inclusive employment and economies

Disability prevalence is estimated at 16% in South Africa and rising. It is estimated that 9/10 of persons with disabilities eligible for work are unemployed in South Africa. As of August 2023, according to the department of labour, of 7 215 960 employees, only 1,2% are persons with disabilities.

Thursday, 28 November 2024 (9:00am - 4:00pm) - Friday,  
29 November 2024 (9:00am - 2:00pm)

UCT Graduate School of Business - 9 Portswood Rd,  
Victoria & Alfred Waterfront, Cape Town, 8002

Inclusive Practices Africa (IPA) is a research unit at UCT which promotes advocacy, conduct training, and research for improved practical outcomes for inclusion. We prioritise activities and practices for inclusion with a particular focus on persons with disabilities. We co-develop and implement practice by interacting with marginalised individuals, multisectoral organisations, service providers and community members

Participation in this event is free and by invite only, but we kindly encourage you to support IPA by [clicking here](#).
