

## POSTGRADUATE DIPLOMA IN ADDICTIONS CARE

The Department of Psychiatry and Mental Health at the University of Cape Town invites applications for admission to a Postgraduate Diploma in Addictions Care in 2017. The primary purpose of this Diploma is to provide health professionals with advanced training in addictions care. The Diploma is targeted at social workers, psychologists, counsellors, doctors and any other health or allied health professionals, who are working with patients with addiction problems.

The course is structured in blocks, allowing flexibility for working students, and can be completed over one or two years.

### **Admission requirements:**

For entrance into this programme, candidates must have the following: • A health or mental health university degree at NQF level 7 or above • Registration (or eligibility to register) with the relevant professional board (e.g. HPCSA, SACSSP)

**Applications open: 01 May 2016**

**Closing date for applications: 30 September 2016**

**Student bursaries are available for 2017**

UCT aspires to become a premier academic meeting point between South Africa, the rest of Africa and the world. Taking advantage of expanding global networks and our distinct vantage point in Africa, we are committed through innovative research and scholarship, to grapple with the key issues of our natural and social worlds. UCT will promote diversity and transformation within our institution and beyond, including growing the next generation of academics.
