

# DISABILITY STUDIES IN EDUCATION ONLINE SHORT COURSE

The course aims to empower educators to reflect critically on their own disability inclusive practices through dialogues within a community of inquiry to promote equity, equal access and dignity for learners with disabilities. Participants will explore the use of Universal Design for Learning within the practices of inclusive education.

## Who Should Attend:

Educators & Principals at school, district and provincial levels, responsible for supporting the education of learners with disabilities

**Where:**  
Online
