The University of Cape Town and the AXA Research Fund are delighted to invite you to celebrate the projects and achievements of two AXA Chairs focused on climate risk and health outcomes

AXA Chair in Non-Communicable Diseases Epidemiology

Held by Prof Lara Dugas 2021-2026.

AXA Chair on African Climate Risk

Launched by Prof Mark New in 2016 and on going through 2031.

The event will highlight Prof Lara Dugas' current body of research and the achievements of Prof Mark New's Chair program. This exciting opportunity will celebrate the long-lasting partnership between the University of Cape Town and AXA via the AXA Research Fund.

Detailed programme will be communicated shortly.
