

## Funding Opportunity Announcement

### Chronic, Non-Communicable Diseases and Disorders Across the Lifespan: Fogarty International Research Training Award

The National Institutes of Health (NIH) seeks applications for the Chronic, Noncommunicable Diseases and Disorders (NCDs) Across the Lifespan: Fogarty International Research Training Award (D43 Clinical Trial Optional; [PAR-22-104](#)). This program supports collaborative research training between institutions in the U.S. and low-and middle-income countries (LMICs).

Programs must sustainably strengthen the capacity of LMIC institutions and investigators to conduct research on NCDs. This NCD-LIFESPAN program supports institutional research training awards for training programs designed to strengthen the capacity of the LMIC institution(s) to support independent research through the education and career development of individual researchers and key personnel. The trainees are expected to contribute to the research capacity in the LMIC upon completion of their training.

#### Award details:

Application budgets are limited to \$230,000 per year and the maximum project period allowed is 5 years.

#### Submission Deadlines:

This proposal requires the PI to complete an online application on the funder portal ([ASSIST](#)) as well as requesting institutional approval via UCT's electronic Research Administration ([eRA](#)) system, prior to submission of the application.

	Deadline
PI to initiate an eRA Preliminary Proposal Approval request and alert their Senior Finance Officer* of the budgetary support needed no later than	03 June 2024
PI to submit an eRA Preliminary Proposal Approval request with a draft budget to the Budget Reviewer step on eRA no later than	18 June 2024
PI to submit an eRA Preliminary Proposal Approval request to the Finance Approver step on eRA no later than	01 July 2024
PI to submit the application on the funder portal (ASSIST) no later than	08 July 2024
RC&I to action the final submission on the funder portal no later than	15 July 2024
