

UKRI African Research Leaders

Are you an early-to-mid career researcher, with at least 3 years of research experience (post-PhD), and potential to be a future research leader?

Join the Faculty of Health Sciences Research Development team for a webinar introducing the UKRI African Research Leaders scheme

This session will provide general information about this UK MRC funded scheme, and guidance on applicant eligibility and suitability.

Date: 14 March 2024

Time: 10h30-12h00
