

“The Doctoral Degree’s Board website houses all the rules and SOPs for doctoral degrees, as the PhD is a University degree, and not a Departmental or Faculty degree, even though each department offers a PhD program. For more information, please see <https://students.uct.ac.za/students/current-students-doctoral-candidates/downloads>

For specific guidance in terms of the PhD application process for the Department of Paediatrics and Child Health, please contact Melissa Solomons
