

Division of Human Genetics Postgraduate Career Day

Calling All Postgraduate Students in Human Genetics & Bioinformatics!

CAREER DAY IS HERE!

Explore your future in **academia and industry**

What to Expect:

- ✓ **Career pathways** in research, biotech, healthcare
- ✓ Learn about **postgraduate academic programs**, scholarships & research opportunities in:

- **Human Genetics (Neuroscience, Forensic Medicine, Ethics etc)**
- **Bioinformatics**

Wolfson (IDM) | 08 August 2025 | 09:00 – 15:30

Sessions Moderators

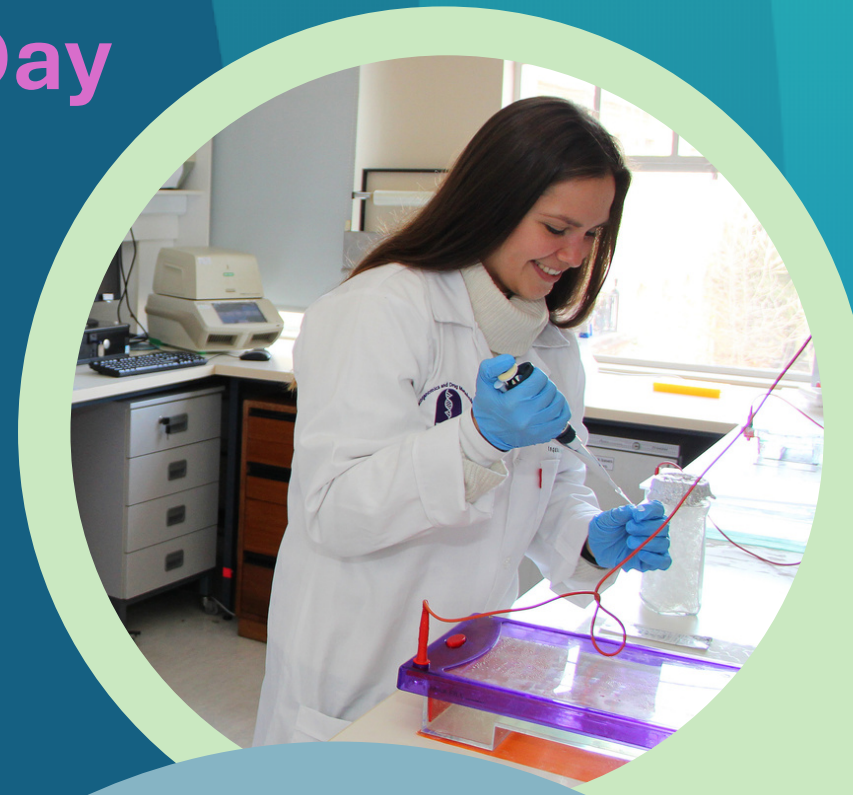

Jonathan Katsukunya
Ph.D Student
PGx and Drug Metabolism Group

Pheziwe Mshunqwane
MSc Student | Research Assistant
Psychiatric Genetics Group

Indy Van Rensburg
Ph.D Student
Retina Group

Meet the Speakers

Heidi Mattison
Senior Lecturer
EthicsLab

Smangele Malema
Project Coordinator
SAMRC

Alina Esterhuizen
NHLS Intern Coordinator
NHLS-UCT

Collet Dandara
HOD
Human Genetics UCT

Hayley Tomes
Comm Officer
Neuroscience UCT

Shareefa Dalvie
CHIP Convener
Human Genetics UCT

Nicola Mulder
HOD & Director
CBIO - UCT

Nosipho Mabizela
Research Assistant
Human Genetics UCT

Calvin Mole
Senior Lecturer
Forensic Medicine UCT

Nyaradzo S Chaora
Regional Manager
ThermoFisher

Horacia Naidoo-McCarthy
Manager
AllanGrey

Zahra Gamiet
Intern
SAMRC

Lisa Roberts
Senior Research Officer
Human Genetics UCT

Chris Vesser
Senior Lecturer
ROCH R&D

Tina Wessels
GC Convener
Human Genetics UCT

Marelize Immelman
Medical Scientist
NHLS-UCT

Desne Jodamus
Senior Officer
PG Funding UCT

Victoria Nembaware
Project manager
Human Genetics UCT
