

# Pesticides are a hazard to the environment

Do not allow animals to drink water where crops are being sprayed.

Do not spill pesticides on the ground.

Do not spray crops near to dams, wells or windmills

**Everyone has the right to a clean environment**

Never throw empty pesticide containers into toilet.

Do not pour pesticides down drain.

Do not spray near a house with open windows and open doors.

Never rinse backpack sprayers in streams, dams or drinking water.
